

Switch to Autopay Letter

Dear Parents:

Our goal at Dancemakers Dance and Fitness Studio is to provide the highest quality of dance and fitness education. As you know we currently collect our class fees each month at the beginning of the month. This collection system takes a lot of staffing hours, and takes time away from activities like planning classes, choreography and providing the highest quality of dance education.

To make things easier and more streamlined we are switching to a system of automatic -debit from a checking account or automatic-charge on a credit card for tuition collection. The fees are still paid monthly. We will require a debit or credit card number filled out along with an automatic payment consent form at the designated registration time. Your debit or credit card will only be charged at the beginning of each month and if you need to stop classes before the end of the year, simply inform us in writing one month in advance and we will stop charges on your bank account or credit card after the one month notice.

Thank you for helping us with this change so we can continue to provide the highest quality of dance and fitness education.

If you have any questions about our new payment system feel free to contact us at the studio at (928) – 783-2254.

Sincerely,

Dancemakers Staff
